

Who Some of TTW's Many Readers Are...

- Parents concerned about their kids...
- Teens who aren't usually readers, simply because little or nothing they read is about them...
- Teachers...
- Various interested groups...
- Entertainment concerns targeting teens...
- Researchers focusing on teens...
- Teens who have gone or are going through some of the experiences described on *Through The Wall's* back cover...
- Young women who have seen the back cover...
- Anyone who has been or is involved with teenagers – and who in turn appreciates the raw accuracy of its depictions.
